

# Senior Photographer, Reuters Pictures

**Location: Taiwan**

Reuters is looking for an experienced and authoritative photographer to lead its pictures coverage in Taiwan as part of the Reuters News Accelerator Program. This role combines on-the-ground reporting with editorial leadership, delivering visual journalism of global relevance.

## About the Role

As Senior Photographer, you will:

- Lead Reuters Pictures operations in Taiwan, overseeing daily coverage and planning
- Consistently deliver fast, accurate and compelling photography on breaking news
- Use deep local knowledge and trusted networks to secure distinctive visuals
- Manage relationships with stringers and contributors to ensure strong coverage
- Produce visual exclusives and support in-depth visual storytelling projects
- Work closely with video and text colleagues across the newsroom

## About You

You are likely to bring:

- Significant reporting experience, with a focus on business, technology or innovation
- Strong news judgement and the ability to spot important trends early
- Experience working under pressure in a fast-paced newsroom
- A collaborative mindset and ease working across teams
- The ability to use data to strengthen reporting
- Proficiency in Chinese
