

Senior Video Journalist

Location: Taiwan

Reuters is seeking a Senior Video Journalist to help lead its coverage in Taiwan as part of the Reuters News Accelerator Program. This is a senior role for a journalist with strong editorial judgement, visual instincts and the ambition to shape how stories are told on screen.

About the Role

As Senior Video Journalist, you will:

- Lead video coverage in Taiwan, including editorial planning and logistics
- Cover breaking news and enterprise stories with speed, accuracy and fairness
- Pitch and develop original video stories for broadcast and digital audiences
- Work closely with text and photo teams on integrated storytelling
- Champion innovation, including the thoughtful use of AI tools
- Uphold the Reuters Trust Principles in all coverage

About You

You are likely to have:

- At least five years' experience in video journalism
- Experience leading teams and mentoring colleagues
- Strong news judgement and a clear visual sensibility
- Fluency in English and Mandarin
- The ability to work calmly under pressure and meet tight deadlines
- Technical proficiency with professional cameras and editing software
